

Legacy Sunday Promo Kit

Everything you need to invite your congregation

Pulpit Announcement (about 60 seconds)

“Church family, I want to tell you about something we’re doing together this season. It’s called **The Infinity Map** — and it’s one of the most practical acts of love we can offer the people we leave behind.

When the Lord calls one of us home, our families face hundreds of decisions in their hardest hours — where the papers are, what our wishes were, who to call. The Infinity Map puts all of it in one place — personal history, medical wishes, finances, funeral wishes, and the faith and wisdom we want to pass on.

Over the next few weeks we’re going to walk through it *together* — with scripture, with prayer, and with nobody facing it alone. Because planning ahead isn’t morbid. It’s Proverbs 13:22: *‘A good man leaves an inheritance to his children’s children.’* Sign-ups start today — see [coordinator name] after the service.”

Tip: have the workbook in hand while you announce it. Holding it up makes it real.

Bulletin Insert Copy

Short version (one line):

Legacy Workshop begins [date] — walk through The Infinity Map together: one book that holds your wishes, your story, and everything your family needs. Sign up with [name] · InfinityMap.org

Longer version:

Because love plans ahead. Beginning [date], we’ll gather weekly to walk through The Infinity Map — a life & legacy planning workbook covering personal history, medical directives, finances, funeral wishes, and the wisdom you want to pass to your children’s children. Every household receives its own workbook. With scripture and prayer at the center, we’ll do the most loving kind of preparation — together. Sign up with [coordinator name] or email [church contact].

Coordinator's Checklist

From decision to done in one season

Four weeks before

- ☐ **Choose your package** at InfinityMap.org/churches.html — sized by congregation (up to 50, 100, 200, or unlimited).
- ☐ **Pick your pace:** the 5-week track (one section group per week) or the 8-week track (a gentler walk with more discussion time).
- ☐ **Set your dates** — many churches run it as a Sunday school elective or a midweek small group.
- ☐ **Name a coordinator** — the person who signs people up and keeps the roster.

Two weeks before

- ☐ **Announce Legacy Sunday** from the pulpit (script on page 1) — two Sundays in a row works best.
- ☐ **Run the bulletin insert** both weeks, and post it in your church group chat or email list.
- ☐ **Distribute the workbooks** to signed-up households — one Infinity Map per household is included in your package.

During the workshop

- ☐ **Follow the Facilitator Guide** — each week has its prayers, scripture, and discussion prompts laid out for you.
- ☐ **Keep it gentle** — some weeks touch tender places. The guide includes prompts for pastoral care moments.
- ☐ **Encourage completion at home** — the workbook is filled in privately; the group is for encouragement, not for sharing personal details.

When it's done

- ☐ **Celebrate** — a closing Sunday moment honoring the families who completed their Maps.
- ☐ **Remind everyone of the two rules:** store your Map where family can find it, and tell one person where it is.
- ☐ **Tell us how it went** — michael@hometownministries.com. We'd love to pray with you and hear the stories.
